Prepare to Become a SRNA in as Little as Four Weeks!

What is the State Registered Nurse Aide Prep Course All About?

The State Registered Nurse Aide Prep Course at Eastern Kentucky University is Kentucky Cabinet for Health and Family Services approved. The curriculum covers 59 hours of classroom instruction taught by registered nurses at EKU’s Somerset Campus and an additional 16 hours of clinical practice conducted at the Lake Cumberland Regional Hospital in Somerset, KY. Classes can be held during the day, in the evening, and on weekends as needed to fit into your busy lifestyle.

CAREER OPPORTUNITIES

After you successfully complete your State Registered Nurse Aide prep course and pass the State exam, your skills will always be in demand. As a State Registered Nurse Aide, you will be an important part of today’s health care system. Your responsibilities will include giving basic nursing and personal care to patients and/or residents. Nursing assistants can work in a variety of places including hospitals, long-term care facilities, assisted living facilities, and home health care agencies.
